About American Subcontractors Association of Michigan

The American Subcontractors Association of Michigan (ASAM) is dedicated to providing services and benefits that help subcontractors, suppliers, and service providers become more successful. ASAM is the local chapter of the American Subcontractors Association (ASA), an organization that is recognized as the united voice dedicated to improving the business environment in the construction industry. Through member meetings and networking, ASAM provides educational opportunities and valuable information for subcontractors throughout Michigan. For more information, visit asamichigan.net.
